DISCLOSURES AND RECUSALS

NEW BUSINESS

1. [50982](#) Amending Section 10.19 of the Madison General Ordinances to prohibit the misuse of city receptacles, and amending Section 1.08(3)(a) to add a bond schedule.

Attachments: [Body](#)

A motion was made by Ansorge and seconded by Sridharan to approve in concept the ordinance with suggested technical changes. Considering the ordinance is intended to deter misuse of public litter containers, the ordinance should make explicit reference to public litter containers. As written, this ordinance could apply to the refuse and recycling containers in the homes of residents since those carts used in the home are City property, and are placed in the city right of way (or terrace) for collection by Streets Division crews.
