1. The rule being petitioned reads as follows: (Cite the specific rule number and language. Also, indicate the nonconforming conditions for your project.)  
MGO 34.01(13)(a), adoption of the IFC. IFC section is 3103.8.2. Temporary tents or membrane structures shall not be located within 20 feet of lot lines and buildings.

Frame tent would not be erected more than twenty-five (25) feet from the existing Press Box, a permanent structure of the historic facility. Tent is 7' from Press Box

2. The rule being petitioned cannot be entirely satisfied because:  
The rule cannot be satisfied because of space and site-modification restrictions of the historic site, specifically regarding the existing Press Box.

3. The following alternatives and supporting information are proposed as a means of providing an equivalent degree of health, safety, and welfare as addressed by the rule:  
The tent is fire-retardant. The adjacent structures are non-combustible construction. There is no cooking in the tent, just food service. There is no temporary heat or generator in, or near, the tent. A fire extinguisher is located in the tent.

Note: Please attach any pictures, plans, or required position statements.
