

Hi Ledell-

Yes, 11:30 pm as a closing time is agreeable to us.

Thanks!

Hello Rachel,

I don't seem to have Anthony's email address. Thanks for the get together today. I appreciated learning more about your plans. This is the one condition we talked about having associated with approval of your license:

Conditions for Macha Tea, 823 E. Johnson St.

1. Close by 11:30 pm weeknights and weekends.

Please confirm that is your understanding and I will have the condition included in the information that goes to the ALRC so your license approval can go on the consent agenda. That, of course, assumes the meeting this evening and with the TLNA Council goes well.

Best,
Ledell
