JUN 27 2008 CDA-WEST Re: Report of Mt. Zion's Services to the Residents of the Community

Development Authority Homes in South Madison

The Mt. Zion Baptist Church, Pastor Richard L. Jones presiding, is providing the Community Development Authority (CDA) with this report regarding its outreach services to the CDA and other residents in South Madison. Specifically, this report summarizes the services that Mt. Zion's Food Pantry Ministry and Village Ministry provided to these residents between January and June 2008.

The Food Pantry Ministry, staffed by Mt. Zion's Mother Board and other members, is responsible for providing free food, hygienic supplies, and other supplies to the residents of CDA homes and surrounding neighbors in South Madison. The Food Pantry Ministry provides the services every second Tuesday of the month from 5PM to 7PM and every third Monday of the month from 10AM to noon. Attachment 1 identifies the CDA and other residents that have received supplies from the Food Pantry Ministry since January 1, 2008.

The Village Ministry, staffed by Mt. Zion's Deacon Board and other members, has continued to visit the CDA residents regarding activities at Mt. Zion and inviting them to church. Also, and as indicated in the prior report, Mt. Zion developed a new outreach program beginning February 2008. Specifically, the CDA and other residents have been invited to attend a class taught every Sunday at Mt. Zion from 9:30 to 10:30 AM. In addition to teaching the residents about God, the class also focuses on other topics that are instrumental in dealing with daily issues or matters. These topics have included:

1) preparing for college; 2) tips in purchasing a house; 3) drug/alcohol counseling; 4) banking; 5) estate planning; 6) preparing your child for elementary/middle/high schools; 7) health awareness; 8) tips to prepare taxes, 9) how to start a business, etc.

All of the courses have been taught by people specifically trained or experienced on the topic presented. Attachment 2 are samples of the invitations provided to the CDA residents regarding the courses. We will continue this effort throughout 2008. While it is difficult to determine how many CDA residents have attended

these courses, we have faith in God that the seeds planted in the community will one day grow abundantly. May God bless you.
