I live kitty corner to the rear of Taco Local. I do not support a backyard raised patio with full bar service open to 10 PM. This brings too much noise and commercial use to residential backyards. I want the applicant to hold a public meeting as requested by the Alder and Neighborhood Association to address noise abatement. We want to be sure if the establishment is open until 2 AM that patrons do not use the space adjacent to homes for smoking and hanging out up to or past bar time.
