

The Marquette

Evening hours of operation will be from 4:00 PM to 10:00 PM, Thursday through Saturday. Outdoor seating will be available until 9:30 PM.

The Marquette Hotel & Cafe will provide a warm and welcoming atmosphere for families, travelers, and locals alike. Our menu will feature a wide variety of food and beverages sourced from local vendors, appealing to everyone from families dining with children to couples enjoying a date night, or friends simply catching up.

Recognizing the national trend of decreasing alcohol sales (approximately 3%) and the surge in popularity of non-alcoholic beverages (approximately 30% increase), The Marquette Hotel & Cafe will offer an extensive selection of non-alcoholic options.

To further enhance the guest experience, we will provide a selection of complimentary board games, adjusting the collection based on popularity. Finally, our menu will showcase seasonal dishes featuring vegetables grown on-site.

We hope to increase the menu and days of operation as the demand grows.
