NOTES

- All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 6 feet in width measured from the property line to the interior of each lot except that the easements shall be 12 feet in width on the perimeter of the plat. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of five (5) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared width along the perimeter of the plat. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water.

The intra-block drainage easements shall be graded with the construction of each principle structure in accordance with the approved storm water drainage plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.

Note: In the event of a City of Madison Plan Commission and/or Common Council approved redivision of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.

- Lots/buildings within this subdivision are subject to impact fees that are due and payable at the time building permit(s) are issued.

- Public Pedestrian Access Easement**
Creation of Easement Rights: A permanent public access easement over and across a portion of the property (the "Easement Area") is established, memorialized, reserved, by, granted, conveyed, transferred and assigned to the City of Madison for the benefit of the public for the purpose of allowing pedestrian foot traffic over, across and along the private pedestrian walkway improvements to be constructed and maintained by the owner of the Property as required by this plat.

Maintenance: The Owner of the Property shall be responsible for all maintenance and repair of the Easement Area and associated pedestrian walkway improvements.

Reservation of Use: The Owner shall have the right to use and occupy the Property and the easement rights granted herein.

Binding Effect: This easement shall run with the land and shall be binding upon the Owners of the Property and their successors in interest.

Release of Rights of Easements Created by Plat: Any release of rights that were placed on plat land which was required by a public body or which names a public body or public utility as grantee shall be released by recording a separate easement release document with the Dane County Register of Deeds in accordance with ss236.293
