Cast Guard Options :	Preview the Standard Cast Guard and the Heavy Duty Cast Guard	<a href="#">Click to View</a>
Dusk-to-Dawn Photocell for Sconce:	Turns your fixture on at dusk and off at dawn!	<a href="#">Click to View</a>
Glass Options:	Protect your bulb and add vintage style	<a href="#">Click to View</a>

## Product Details

Jump on the industrial bandwagon with this maritime light that combines a protective guard-and-glass body with a mini flared shade for plenty of rustic flair. This heavy duty wall mount light weathers all elements but is perfectly suited for indoor applications as well. Customize with finish color and glass options and choose between a standard cast guard or the chunkier, heavy duty cast guard for the uber industrial touch!

### Dimensions:

Fixture: 5 3/8"W x 10"H
