

BPW Meeting June 26, 2024
Review of Projects by Engineering Environmental Staff for Impacts to Water
Resources

84029 Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for West Towne Path - Phase 2a. (District 9)
Sponsors: BOARD OF PUBLIC WORKS

Attachments: [10169-WestTownePathPh2a_BPWExhibit.pdf](#)

The proposed project will construct an approximately 0.3-mile-long, shared-use path that will connect an existing path from the underpass at S. High Point Road to Zor Shrine Place, extending the next phase of the on-going West Towne Path corridor. The estimated cost of this project is \$943,000.

This project will require a City of Madison Erosion Control permit with weekly self-inspection. No WDNR permits are required.

Prepared by Greg Fries, City Engineering 06/20/2024
