32 Why?

Instead, How about reducing the speed limit to 15mph through there, ~~and~~ because it is not only a residential neighborhood; but also a high pedestrian block area. I've thought up a plan and want to go on, that there should be cameras set up, with a second camera to trigger off of the first when the speed is beyond -'20' perhaps. So that automatic issuance of ~~the~~ speeding tickets may become a reality.

Does the city have engineers to develop this? If so, \$ 50.00, if

not: CherylElkhinton@gmail.com
And I'll work on it to an env. agency
