

2-11-2019 SCCC Work Group Notes:

The major topics we discussed:

- 1) Possible next meeting date Wednesday (2/20/19) at 5.30, that is, just before the International Festival (2/23/2019).
- 2) We need to finalize our choice for guest speaker. My sense is that we want somebody who can talk about partnerships in the Spanish-speaking world somewhat generally, not just the situation in one country. We need this confirmed by Wednesday.
- 3) Carolyn's suggestion of Susan Siman as an MC is excellent. Carolyn or Jo will contact. We would need this confirmed by Wednesday, too.
- 4) We need to finalize the flyer that we plan to pass out at the International Festival. Jo made a number of valuable suggestions. Charles will try to draft a version based on her suggestions, but all work group members should take a look at it and make suggestions.
