

Legistar File 74301 Body

DRAFTER'S ANALYSIS: This group of ordinance changes removes the embedded annual license fees administered by Public Health Madison Dane County ("PHMDC") and instead assigns the establishment of annual fees to the Board of Health ("BOH"). PHMDC administers food and drink permits, tattoo and body piercing licenses, public swimming pool licenses, hotels, motels, and tourist rooming house licenses, recreational and educational camp licenses, campground licenses (all under MGO Chapter 7) and mobile home park licenses (in MGO Sec. 9.23).

This change comes recommended by the Department of Agriculture, Trade and Consumer Protection ("DATCP") during PHMDC's most recent agent evaluation in order to eliminate the requirement for an ordinance change whenever a fee change is necessary. Any fee established by the BOH must be an amount sufficient to recover the costs incurred by the City and meet the requirement in Wis. Stat. Sec. 66.0628(2) that the fees charged "bear a reasonable relationship to the service for which the fee is imposed." Since PHMDC is a joint city-county agency, Dane County and the City of Madison want to have consistency between the PHMDC-administered licenses in the Madison General Ordinances and the Dane County Ordinances. A parallel Dane County ordinance is also being adopted removing embedded annual fees and assigning fee establishment to the Board of Health. The BOH adopted fees will be published in the PHMDC Fee Schedule, which will be publicly available at the City Clerk's Office and posted on PHMDC's website.
