RE: Public Hearing - New License Consolidated Management Company • dba Consolidated Management Company 1000 Edgewood College Dr • Agent: Michael DeLisle Estimated Capacity (in/out): 300/500 Class B Combination Liquor & Beer • 10% alcohol, 90% food Police Sector 207 (District 13)

Dear Committee members,

I am requesting referral of this application to your August 21 meeting to allow for public input. The public information meeting required of the applicant has not yet taken place.

The applicant has been in touch with Diego Saenz, the president of Dudgeon-Monroe Neighborhood Association. However, the applicant did not attend the last DMNA meeting to hear of any neighborhood concerns.

Mr. Saenz is copied here, as is Julia Heil of Consolidated Management. I've informed Julia of my decision to request this referral.

Nearby residents are understandably concerned about the potential impact of outdoor events of up to 500 attendees with alcohol served. Allowing for public engagement is particularly important in this instance to ensure neighborhood trust.

Thank you.
