Thanks for the thoughtful letter, Brad.

I agree with this position and also support the request as it was presented at Monday's meeting. My only additional ask would be to consider closing both patios at 10p on weekdays. I think that would go a long way to addressing near-neighbor concerns and once things are in operation and acoustic evaluations are performed we could always consider extending hours.

Jim, I won't be able to attend tomorrow's meeting, so please also pass these comments on to ALRC, members. Thanks.

Deputy Clerk Verbick / City Clerk representative,

Please forward the attached letter to the members of the ALRC in advance of the meeting scheduled for 6/19/19, and/or in printed materials as you are able. The SASY Neighborhood Association wishes to express support for the license transfer requested by Underground Food Collective/Garver Events.

Thank you for your help with sharing this letter, and please contact me ASAP on Wednesday if you have any questions.
