

Dear City Clerk,

4-9-26

I have received the Public Hearing Notice for the Zuzu Cafe Entertainment license at 1336 Drake Street.

I do not want it.

It is two buildings away from my home at 409 S. Randall Ave., which I have owned since 1979. Back then this was a quiet residential street and neighborhood. Now it has a bus route and a bus shelter with buses running all the time.

In 1979 Zuzu's Cafe was not there on the corner. Instead there was a convenience store that sold food and soda.

Today Zuzu's Cafe has outdoor music on Thursdays until dark. It has been very loud at times. It interferes with early sleeping. I do not want that near my home. Please disallow it.

Truly yours,
