

LEGISTAR 44257 - Body

DRAFTER'S ANALYSIS: This amendment corrects an oversight discovered after the zoning code re-write by allowing, as a permitted use, the leasing of off-street parking facility accessory to a residential use to non-tenants in the UOR, DR1, and DR2 districts. It was never intended to treat these three districts differently than the other three downtown and urban districts.

The Common Council of the City of Madison do hereby ordain as follows:

The Table 28E-2 of Subsection (1) of Section 28.072 entitled "Downtown District Uses" of the Madison General Ordinances is amended by amending therein the following:

"Downtown and Urban Districts						
	DC	UOR	UMX	DR1	DR2	Supplemental Regulations
Accessory Uses and Structures						
Lease of off-street parking facility accessory to residential use to non-tenants	P	P	P	P	P	Y"
