Agenda Item 17

Approving Request by Madison Mallards for Fireworks Displays and Other Promotions for the 2026 Mallards and Night Mares Season at Warner Park Stadium

Wild Warner has been awaiting the fireworks proposal by the Mallards. Their proposal has finally been posted on the agenda this afternoon, January 13.

It appears we are in agreement with the Mallards 2026 request.

Our attached comments also lay out what we would endorse in the years 2027 and 2028.

Cordially,

For Wild Warner

Michael Rewey

Madison

Warner Park Mallards/Nightmares Fireworks Plan

Developed and Proposed by Wild Warner

*for approval by
Board of Park Commissioners
January 14, 2026*

2026

Five Maximum

- Maximum of one in June (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- July 4 (on or about) fireworks will be larger (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- Three in July and August.
- Of the four not on or about July 4, three will be low decibel.
- No fireworks will begin later than 10:00 p.m.
- No comment on Drone Shows – but they must be at least 660 feet from an active eagle nest

Each fireworks display will be monitored for noise by experienced personnel. Locations will be the same for each event.

2027

Four Maximum

- Maximum of one in June (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- July 4 (on or about) fireworks will be larger (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- Two in July and August.
- Of the three not on or about July 4, all will be low decibel.
- No fireworks will begin later than 10:00 p.m.
- No comment on Drone Shows – but they must be at least 660 feet from an active eagle nest

2028

Three Maximum

- Maximum of one in June (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- July 3 (on or about) fireworks will be larger (will be canceled and rescheduled if eaglets, if any, have not fledged.)
- Of the two not on or about July 4, all will be low decibel.
- No fireworks will begin later than 10:00 p.m.
- No comment on Drone Shows – but they must be at least 660 feet from an active eagle nest
