

BOARD OF PUBLIC WORKS

To Property Owners:

Enclosed is your notice of a Public Hearing on Colony Drive and South Gammon Road Traffic Signal Installation. Our records indicate that you are a property owner within the area benefited by Traffic Signal. Please read this notice carefully, and if you have any questions, contact Gretchen Avilés Piñeiro (266-4899) at the City Traffic Engineering Division, Suite 900, 30 W Mifflin Street. We suggest that it is better to call rather than to wait for the Board of Public Works meeting itself.

If you wish to appear before the Board of Public Works, you may do so at the time and place stated in the notice. To expedite the public hearing process, please complete the form below and submit it to the Board Secretary at the hearing.

If you have sold or transferred ownership of all or part of the property in question, please forward this notice to the new owner.

It is the policy of the City of Madison to assess the initial cost of installation and materials for traffic signals to the benefited property owners. This is a one-time assessment and all maintenance and operating costs, once the traffic signals are installed, are paid by the City of Madison.
