

PSRC Meeting, 10/12/2022

Items of Significance since last meeting:

- 1 homicide (homicide/suicide); assigned to our Violent Crimes Unit
- 1 fatality crash in September (09/30) – MV vs MV, Rollover, OMVWI pending completion of investigation
 - Assigned to our Traffic Specialists

Updates:

- MPD's steering committee met with Matrix Consulting Group last on 08/30/2022
- The workgroup names were reviewed and revised to:
 - Madison-Centric Policing: Focusing on community policing specific to Madison
 - Youth Engagement: Creating long-lasting and positive relationships between youth and MPD
 - Communication with the Community changed to Public Communication: How to improve communication between MPD and all of the various Madison communities
 - Internal MPD Organizational Culture changed to Workplace Culture: Improving leadership, internal communications, training, diversity, recruitment and retention
- Workgroups began meeting in September for orientation from MCG
 - Facilitated by MCG-Orientation into the goals of each work group, roles, strategies and tasks to accomplish
 - 1st of 3 planned meetings in 2022-90 minute meeting length
 - Groups will begin to work through choosing a chair and co-chair on their own
 -
- MCG provided a draft Profile Report for MPD Steering committee review
 - Outlines roles of commissioned and civilian personnel within the department
 - Steering committee to meet discuss introducing the document into the long term strategic plan and the feasibility of doing so-25 page report

Next steps: Report back from workgroups to MCG on the designing of the final long term strategic plan

Follow up:

- Addiction Recovery Specialist and Criminal Intelligence Section consulted regarding the identification of heroin overdoses in the monthly crime report
 - This started in 2015 when heroin was the critical issue and we obtained a MARI grant
 - MPD has been tracking illicit substance overdoses for approximately 1 year for tracking purposes

- MPD Data Analyst is currently researching standards in literature for reporting purposes and will report back when completed
