I'm here to speak against the mall maintenance special charges. Perhaps I am not fully educated on the specifics of where this money goes - ~~where it goes~~ but my understanding is that this "special charge" is intended to pay for services of maintaining cleanliness in front of my property. If people are coming by to ~~take~~ pick up cigarettes or to empty trash cans in front of my building, they are doing a terrible job - not only with my building but up and down the block. Please clean and empty our King Street trash cans more frequently if you're going to charge me \$600 for it. I speak in opposition on behalf of the Majestic and many of our neighbors.  
Thank You.
