I am opposed to the two applications for change of licensed premise.

- #1 I question the legality of extending a licensed premise into the public right of way.
- #2 As applied for, these license changes would allow for the sale and distribution of not only beer but alcohol in this venue, which is bad public policy.
- #3 There are other venue's for obtaining legal permission through a street use permit and a picnic beer permit that are more viable options than expanding a licensed premise.
