Dear Mr. Kamp,

Thank you for your Section 5310 grant application to continue funding for Metro Transit's Paratransit Eligibility and Mobility Coordinator program for the 2018 calendar year. Your project was scored by an evaluation committee and is recommended for inclusion in the draft Program of Projects (attached) at the funding level described below.

Total Project Cost	\$145,500
Section 5310 Funding	\$116,400

The draft Program of Projects, containing funding recommendations for the Section 5310 program, is attached and will be presented to the Madison Area Transportation Planning Board (MATPB) on October 4, 2017 at 6:30 pm at the Verona City Hall, 111 Lincoln St., Council Chambers, in Verona. The Program of Projects (POP) is not considered final until it is approved by the MATPB as part of approval of the Transportation Improvement Program (TIP), the TIP is approved by the state, and the POP is submitted to the Federal Transit Administration.

If you would like to appeal this process, please inform me in writing by noon, September 27, 2017. Your appeal will be included in meeting materials for the MATPB. MATPB meetings are open to the public.

Sincerely,
