No fiscal impact.

Title

SUBSTITUTE Creating Section 12.753 of the Madison General Ordinances to prohibit Personal Delivery Devices (PDDs) on City sidewalks and creating a forfeiture.

Body

DRAFTER'S ANALYSIS: Personal delivery devices (PDDs), sometimes referred to as "delivery robots," are electronic devices that operate on sidewalks and crosswalks to transport or deliver property or food. Wis. Stat. § 346.807 generally prohibits PDDs from operating on roadways, but allows PDDs on sidewalks and crosswalks unless a municipality has an ordinance prohibiting them. Wis. Stat. § 349.236 (1) (b) authorizes municipalities to prohibit the operation of PDDs on sidewalks under its jurisdiction. This ordinance prohibits the operation of PDDs from all sidewalks within the City's jurisdiction unless the City Traffic Engineer has determined that allowing their operation on certain sidewalks and crosswalks is not contrary to the public interest.

This substitute was created to allow the City Traffic Engineer the discretion to identify specific sidewalks and crosswalks where PDDs may be permitted.

The Common Council of the City of Madison do hereby ordain as follows:
