RE: Approval of Conditional Use to establish a private parking facility at **631 West Washington Avenue**

Dear Mr. McFadden:

At its October 17, 2016 meeting, the Plan Commission, meeting in regular session, approved your conditional use application to establish a private parking facility at 631 West Washington Avenue. In order to receive final approval of the conditional use and for permits to be issued, the following conditions must be met:

**Please contact Tim Troester, Engineering Division at (608) 267-1995 if you have questions regarding the following nine (9) items:**

1. The applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction. (POLICY)
2. All work in the public right-of-way shall be performed by a City licensed contractor. (MGO 16.23(9)(c)5) and MGO 23.01)
3. All damage to the pavement on W Washington Ave, adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY)
4. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement. (POLICY)
5. The applicant shall submit, prior to plan sign-off but after all revisions have been completed, digital PDF files to the Engineering Division. Email PDF file transmissions are preferred to: [bstanley@cityofmadison.com](mailto:bstanley@cityofmadison.com) (East) or [troester@cityofmadison.com](mailto:troester@cityofmadison.com) (West). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals

shall contain the following information: a) Building Footprints b) Internal Walkway Areas c) Internal Site Parking Areas d) Other Miscellaneous Impervious Areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.) e) Right-of-Way lines (public and private) f) Lot lines or parcel lines if unplatted g) Lot numbers or the words unplatted h) Lot/Plat dimensions i) Street names j) Stormwater Management Facilities k) Detail drawings associated with Stormwater Management Facilities (including if applicable planting plans).

6. The applicant shall submit prior to plan sign-off, electronic copies of any Stormwater Management Files including: a) SLAMM DAT files b) RECARGA files c) TR-55/HYDROCAD/Etc d) Sediment loading calculations. If calculations are done by hand or are not available electronically the hand copies or printed output shall be scanned to a PDF file and provided. (POLICY and MGO 37.09(2))
7. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 5.0 tons per acre per year.
8. For Commercial sites < 1 acre in disturbance the City of Madison is an approved agent of the Department of Commerce and WDNR. As this project is on a site with disturbance area less than one (1) acres, and contains a commercial building, the City of Madison is authorized to review infiltration, stormwater management, and erosion control on behalf of the Department of Commerce. No separate submittal to Commerce or the WDNR is required. (NOTIFICATION)
9. Prior to approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to Reduce TSS by 80% off of the proposed development when compared with the existing site.

**Please contact Jeff Quamme, Engineering Division-Mapping at 266-4097 if you have questions regarding the following item:**

10. Applicant shall be responsible to obtain any permits required from the Wisconsin Dept of Transportation for the pavement removal or any other activity within the adjacent railroad right-of-way.

**Please contact Eric Halvorson, Traffic Engineering Division at 266-6527 if you have questions regarding the following three (3) items:**

11. The applicant shall maintain the eastern driveway width of 10 feet to the public Right-of-Way.
12. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be scaled to 1" = 20' and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.

13. All parking facility design shall conform to MGO standards, as set in section 10.08(6).

**Please contact Jenny Kirchgatter, Assistant Zoning Administrator at 266-4429 if you have questions regarding the following four (4) items:**

14. Provide details for the proposed patio area shown on the landscape plan, including how it is intended to be used and any benches, seating or other amenities that may be provided for the patio.
15. Clearly label the lawn or seeded areas on the landscape plan. Per Sections 28.142(3)(c) and 28.142(4)(e) planting beds or planted areas must contain at least 75% vegetative cover mulched. Mulch shall consist of shredded bark, chipped wood or other organic material installed at a minimum depth of two (2) inches.
16. Exterior lighting provided shall be in accordance with City of Madison General Ordinances Section 10.085. Provide an exterior lighting plan and fixture cut sheets with the final plan submittal.
17. Per Section 28.186(4)(b), the property owner or operator is required to bring the property into compliance with all elements of the approved site plans by the date established by the Zoning Administrator as part of the site and building plan approval. Work with Zoning staff to establish a final site compliance date.

**Please contact my office at 267-1150 if you have questions regarding the following item:**

18. That the plans shall be revised as recommended by the Urban Design Commission with final plans to be approved by City Agencies.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining your conditional use:**

1. Please revise your plans per the above conditions and submit seven (7) copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. This submittal shall all also include one complete digital plan set in PDF format. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This property is not in a wellhead protection district. All operating private wells shall be identified and permitted by the Water Utility in accordance with MGO 13.21. All unused private wells shall be abandoned in accordance with MGO 13.21. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use, demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,
