To whom it may concern,

I am Allison Plac, writing a comment on behalf of Twisted Grounds in support of their liquor license application. I am a regular customer of Twisted Grounds, and I believe it would be a positive change if they are granted a liquor license. The cafe is a welcoming space for community and socializing over a cocktail on weekdays, during trivia nights, or on Under the Oak nights in the summer would only add to that experience. Twisted Grounds opened up around the time I moved to Madison and has been essential in bringing me out of my apartment and into the community! I am so excited by all the development happening in the Cottage Grove Road area.

Thank you.
