Re: Request for Committee Appearances

I request time on the agendas of the Community Services Committee and the Community Development Block Grant Committee during January 2012. My intention is to share the attached report, ***“Madison Senior Adult Services: A Plan for Consolidation and Coordination”*** with committee members and answer their questions. The report contains recommendations for future actions.

This staff report was developed at the direction of Division Director Bill Clingan and was presented to Mayor Soglin and Mayoral Aide Katie Crawley on November 14, 2011. In addition to a favorable response, the Mayor suggested an additional recommendation on page 17.

My presentation will be short, no longer than 15 minutes, and I assume the report will be available to members prior to their meeting. Members may choose to accept and endorse the recommendations similar to the action of the Senior Citizen Advisory Committee on December 13.
