

We have lived in
Madison for 52
years and would
like to have it
remain a safe
city - free of an
over-abundance of
alcohol and its
problems.

Thank you

City Clerk:

6/5/11

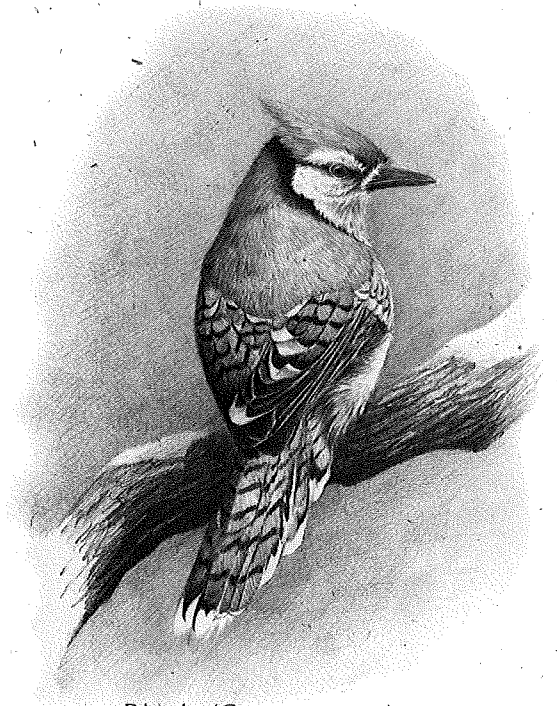

re: ~~license~~^{error}
license for liquor
on Monroe St. at
former Spirals location.
Please do not
issue such a license.
Too much alcohol
in WI already!
That is a nice
neighborhood!
Shirley
Chase

Blue Jay (*Cyanocitta cristata*)
Crested pale blue uppersides and a gray breast coupled with a variety of loud calls mark this common species. It is often found in small groups in suburban areas with trees and shrubs, and regularly comes to feeders year-round.
