

February 18, 2025 – Parks Long Range Planning Subcommittee

2025-2030 Park and Open Space Plan Lessons Learned Discussion Format

Discussion of the following questions in specific regards to the overall planning process, schedule, community engagement, and LRP member involvement in content review.

What aspects of the process worked well?

What aspects of the process could be improved?

What aspects of the process should be omitted?

What is the ideal timeframe for the planning process?

Discuss the pros and cons of the following:

- Use of the UW Survey Center to administer the city-wide survey
- Issue Papers
