A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division will be reviewed by the Common Council at its September 5, 2023 meeting. Please now follow the procedures listed below for your certified survey map:

1. In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. Once the Plan Commission certificate is executed, the Planning Division will make the City Clerk's Office aware that the Common Council certificate may be executed.
2. Once all of the necessary City signatures have been affixed to the Certified Survey Map, the instrument may be recording at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.
