Not sure if you want to see the photos of the complaint but here they are. The 1<sup>st</sup> photo is the wall on the north side of my building that's next to the building I want to demo. As you can see I have no lights on that side. The 2<sup>nd</sup> photo is the existing fence that's on the 2410 property. The last photo is the only one I have on the west side of my building. I believe that's the one she is complaining about.

Thanks,  
Mark
