

Memo

To: CDBG Committee Members
From: Nancy Dungan, Grants Administrator
Date: August 28, 2017
Re: Awarding \$50,000 in CDBG funds for home repair services

Approval of the attached resolution will authorize the Community Development Division (CDD) to amend the City's 2017 Home Repair agreement with Project Home to provide an additional \$50,000 for home repair services to low-income home owners.

Background

The City's Community Development Division has provided funding to support home repairs for low-income homeowners for more than 25 years. In 2017, the demand for home repairs and the size of the repairs being requested exceeds the funding authorized for the year. Project Home has requested an additional \$50,000 in order to address the housing quality and safety need of low-income homeowners through the end of the year. The additional funds will ensure that important home repair needs are not deferred.

Staff Recommendation

Approve the attached resolution authorizing an amendment to the City's 2017 Home Repair agreement with Project Home, providing an additional \$50,000 for home repair services to low-income home owners.
