INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Community Development Authority
of the City of Madison
Madison, WI

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Monona Shores, a business-type activity-enterprise fund of the Community Development Authority of the City of Madison, as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise Monona Shores' basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Monona Shores, a business-type activity-enterprise fund of the Community Development Authority of the City of Madison, as of December 31, 2022 and 2021, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Monona Shores and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note A, the financial statements present only the Monona Shores fund, a business-type activity-enterprise fund of the Community Development Authority of the City of Madison, and do not purport to, and do not, present fairly the financial position of the Community Development Authority of the City of Madison as of December 31, 2022 and 2021, the changes in its financial position, or, where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monona Shores' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monona Shores' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monona Shores' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

MONONA SHORES

(A Business -Type Activity-Enterprise Fund of the Community Development Authority of the City of Madison)
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE A -- Summary of significant accounting policies

Reporting entity

Monona Shores (the fund) is a business-type activity-enterprise fund of the Community Development Authority of the City of Madison (CDA). The CDA is a component unit of the City of Madison. The fund consists of a 104-unit, low-income housing project called Monona Shores Apartments, located in Madison, Wisconsin, and was placed in service in December 1999.

Measurement focus, basis of accounting and basis of presentation

The financial statements of the fund have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The significant accounting principles and policies utilized by the fund are described below.

The accounts of the fund are organized and operated on the basis of a proprietary fund.

The fund distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the fund's operations. The principal operating revenues of the fund include activities that have characteristics of exchange transactions, mainly rental income. Operating expenses for the fund include the cost of services provided, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. Non-operating revenue includes activities that have characteristics of non-exchange transactions such as most federal, state, and local grants and subsidies. Non-operating revenue also includes interest income.

Proprietary Fund - The proprietary fund is an *Enterprise Fund* used to account for those operations that are financed and operated in a manner similar to private business or where the CDA has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

Enterprise Funds are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. All assets and liabilities associated with the operation of this fund are included on the statement of net position. The enterprise fund is used to account for the activities of the low-rent housing program. Under the low-rent housing program, the CDA owns and operates housing units. Financing for the acquisition and rehabilitation of this property was obtained through long-term debt issues. The operations and maintenance are funded principally through tenant rent.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

MONONA SHORES

(A Business -Type Activity-Enterprise Fund of the Community Development Authority of the City of Madison)

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A -- Summary of significant accounting policies (Continued)

Cash and cash equivalents and restricted cash

For purposes of reporting cash flows, the fund considers all investments purchased with a maturity of three months or less to be cash equivalents, with the exception of cash not available to the fund due to restrictions placed on it.

Accounts receivable and revenue recognition

The fund utilizes the direct write-off method of accounting for bad debts. The use of this method has no material effect on the financial statements.

Accounts receivable are not interest bearing. A receivable is considered past due if payments have not been received by the fund after 5 days. Accounts receivable are written-off when management determines an account is uncollectible, based on its history of past write-offs, collections, and current credit conditions. Accounts receivable are written-off only after the tenant vacates the unit. A late payment fee of \$30 or \$35 is charged for accounts 5 days past due.

Rental revenue is recognized when earned. The fund leases apartments to eligible applicants under operating leases which are substantially all on a yearly basis. Other revenue consists of various tenant charges and other services and is recognized when the service is complete.

Capital assets

Capital assets are stated at cost. Depreciation of rental property is computed on the straight-line and declining-balance methods based upon the following estimated useful lives of the assets:

	<u>Years</u>
Land improvements	15
Buildings and improvements	27.5
Furnishings and equipment	5

All purchases of capital assets in excess of \$5,000, and/or extends the useful life will be capitalized.

Maintenance and repairs of rental property are charged to operations, and major improvements are capitalized. Upon retirement, sale or other disposition of rental property, the cost and accumulated depreciation are eliminated from the accounts, and any resulting gain or loss is included in operations.

Impairment of long-lived assets

The fund reviews long-lived assets, including rental property, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such losses.

MONONA SHORES

(A Business -Type Activity-Enterprise Fund of the Community Development Authority of the City of Madison)

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A -- Summary of significant accounting policies (Continued)

Net position

The fund's net position is subdivided into two categories: 1) net investment in capital assets, and 2) unrestricted. Each component of net position is reported separately on the statements of net position. Net investment in capital assets represents the balance of land, land improvements, buildings and improvements, and furnishings and equipment less accumulated depreciation, net of any related debt incurred in the acquisition of capital assets. The remaining net position, not related to capital assets, is reported as unrestricted.

Reclassifications

Some items in the 2021 financial statements have been reclassified to be consistent with the current year's presentation.

Subsequent events

These financial statements have not been updated for subsequent events occurring after May 5, 2023, which is the date these financial statements were available to be issued. The fund has no responsibility to update these financial statements for events and circumstances occurring after this date.

NOTE B -- Cash and cash equivalents and restricted cash

The fund's cash and cash equivalents and restricted cash as of December 31, 2022 were comprised of the following:

	Carrying Value	Bank Balance	Associated Risks
Deposits	\$ 703,360	\$ 711,902	Custodial credit risk

Reconciliation to financial statements:

Per statement of net position

Cash and cash equivalents

\$ 632,730

Restricted cash – tenants' security deposits

70,630

Total cash and cash equivalents and restricted cash

\$ 703,360

MONONA SHORES

(A Business -Type Activity-Enterprise Fund of the Community Development Authority of the City of Madison)

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE B -- Cash and cash equivalents and restricted cash (Continued)

The fund's cash and cash equivalents and restricted cash as of December 31, 2021 were comprised of the following:

	Carrying Value	Bank Balance	Associated Risks
Deposits	<u>\$ 661,283</u>	<u>\$ 660,481</u>	Custodial credit risk

Reconciliation to financial statements:

Per statement of net position

Cash and cash equivalents \$ 596,332

Restricted cash – tenants' security deposits 64,951

Total cash and cash equivalents and restricted cash \$ 661,283

Deposits in each local and area bank are insured by the FDIC in the amount of \$250,000 for time and savings accounts (including NOW accounts) and \$250,000 for demand deposit accounts, which, at times, may exceed federally insured limits. The fund has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk on cash and cash equivalents.

Bank accounts are also insured by the State Deposit Guarantee Fund in the amount of \$400,000. However, due to the nature of this fund, recovery of material principal losses may not be significant to individual municipalities. This coverage has not been considered in computing custodial credit risk.

Custodial credit risk

Deposits – Custodial credit risk is the risk that in the event of a financial institution failure, the fund's deposits may not be returned to the fund.

As of December 31, 2022 and 2021, \$461,902 and \$410,481 of the fund's total bank balance of \$711,902 and \$660,481, respectively was exposed to custodial credit risk as uninsured and uncollateralized.

MONONA SHORES

(A Business -Type Activity-Enterprise Fund of the Community Development Authority of the City of Madison)

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE E -- Related-party transactions

Asset management oversight fee

The annual operating budget provides for the fund to pay an annual asset management oversight fee to the CDA general fund at a rate of \$120 per unit per year, increasing by 5% each year. Accrued asset management oversight fees included in accounts payable were \$17,539 and \$16,704 as of December 31, 2022 and 2021, respectively. Asset management oversight fees incurred totaled \$17,539 and \$16,704 for the years ended December 31, 2022 and 2021, respectively.

NOTE F -- Commitments and contingencies

Land Use Restriction Agreement (LURA)

The CDA was assigned and has assumed a LURA with WHEDA as a condition to receiving an allocation of low-income housing tax credits. Under this agreement, the fund must continuously comply with IRC Section 42 and other applicable sections of the IRC. The agreement places occupancy restrictions on rents and the minimum percent of units which shall be occupied by individuals or families whose income meets the requirements set under the IRC Section 42. The CDA is obligated to certify tenant eligibility.

Payment in Lieu of Taxes (PILOT)

The CDA has entered into a PILOT Agreement with the City of Madison, Wisconsin (the City), under which the CDA agrees to make annual PILOT payments to the City in the amount of \$40,000 beginning in 2015 and ending with 2025. The PILOT Agreement shall terminate on the day before the respective January 1st of the year during which the City determines that Monona Shores no longer qualifies for property tax exemption or termination of ownership of Monona Shores by the CDA. PILOT expense totaled \$40,000 for each of the years ended December 31, 2022 and 2021.
