

BPW Meeting October 5, 2011:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

- 15. Water and Sanitary Sewer on E. Washington, from Thierer to Hagan Drive.**  
This project will include relocating sanitary and water main from Continental and Independence Lane - this project will require an Erosion Control permit from the City of Madison and weekly self-inspection but does not require a WDNR permit.  
**(Mark Moder, Engineering)**
