

BPW Meeting March 26, 2007:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

7. **Rugby Row, Vista Road, Eton Ridge Assessment District**
This project will disturb more than one acre of land, and so will require a Notice of Intent permit from the Department of Natural Resources.
(Chris Petykowski, City Engineering)

25. **Sayle Street Warehouse Building**
This project will disturb more than 10,000 square feet on the bank of a navigable waterway (Wingra Creek) and includes stream bank restoration and so requires a Chapter 30 permit from the Department of Natural Resources. The permit application has been submitted.
(Genesis Bichanich, City Engineering)

33. **Portage/Hanson Road Resurfacing**
This project will disturb more than one acre of land, and so will require a Notice of Intent permit from the Department of Natural Resources. There also may be wetland impact associated with this project, which would require a DNR NR103 (Water Quality Certification) permit.
(Mike Cechvala, City Engineering)
