Check the box(es) for the exception criteria you feel are applicable:

- 1. Public exigency (emergency) will not permit the delay incident to advertising or other competitive processes.
- 2. The services or goods required are available from only one person or firm (i.e., **true** sole source).
- 3. The services are for professional services to be provided by attorneys.
- 4. The services are to be rendered by a university, college, or other educational institution.
- 5. No acceptable bids have been received after formal advertising.
- 6. Service fees are established by law or professional code.

- 7. A particular consultant has provided services to the City on a similar or continuing project in the recent past, and it would be economical to the City on the basis of time and money to retain the same consultant.
- 8. Otherwise authorized by law, rule, resolution, or regulation. Explain:
- If procurement is being paid with Federal or State grant funds, the vendor was identified by name in the approved Grant Application. (OPTIONAL)

REASON FOR REQUEST

WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

The vendor is currently contracted to provide Metro with their proprietary hardware. With Metro now acquiring new, larger electric fleet, there is a need to procure additional compatible switches that will work with their hardware, and installation services from the vendor.

COMMENTS REGARDING PURCHASES OVER \$50,000
