COMMENTS REGARDING PURCHASES OVER \$50,000

The City has paid the University of Wisconsin \$3,662,113 since 2015. There isn't a good way to filter the over 1,500 invoices down to subtotal by selection type; however, services rendered by a university are exempt from competitive selection requirements, and additionally this particular contract is the result of a grant in which the UW Population Health Institute is specifically named.
