1. Organizational Prerequisites for Eligibility for Accreditation.
 - a. In order to be eligible for City accreditation and participation in the Child Care purchase of service system, a child care program must be organized in one of two ways; it may be incorporated as a single service, child care program or it may be a service component of a multi-service corporation. In either case, the corporation shall be registered with the Secretary of State as a corporation within the meaning of Wis. Stat. chs. 180 and 181.

A government-sponsored child care program is eligible if it is directly administered by a government agency or public educational body which has authority to contract and to sue and be sued, or if it is administered through a contract between such a government agency or educational body and an accredited child care program.

 - i. If the private child care program is a single service corporation, registered with the Secretary of State as a nonprofit corporation under Wis. Stat. § 181, it shall be governed by a Board of Directors. The Board shall have a minimum of five (5) members. A minimum of one-third (1/3) of those members shall be parents of children who are currently enrolled in the program or whose children have been enrolled in the program in the past year. The members shall be chosen in a process in which all parents of children currently enrolled have a fair opportunity to participate. The Board shall have final authority over the budget, program and the hiring, supervision, and termination of the corporation’s staff administrator.
 - ii. If the private child care program is part of a larger, multi-service corporation, registered with the Secretary of State as a nonprofit corporation under Wis. Stat. ch. 181, it shall:
 - A. Be governed by a Board of Directors.

- B. The child care program of the multi-service corporation shall ensure parental participation by parents of children currently enrolled in the child care program, and provide public accountability in the use of public resources. The child care program shall have processes that ensure parent participation regarding the budget and structure of the child care program and hiring, supervision, and termination of the chief administrator of the child care program. No multi-service corporation shall allocate to its child care program an amount less than the program's gross income in tuition and fees. Parents of the child care program shall be entitled to inspect and receive copies of any papers or documents of a multi-service corporation which pertain to the funding or operation of the child care program within a reasonable time after requesting the same in writing.

(Am. by Ord. 10,516, 11-11-92; Renum. by ORD-07-00048, 4-12-07)

- iii. If the child care program is a business corporation, registered with the Secretary of State under Wis. Stat. ch. 180, or a government-sponsored child care program, its Board of Directors or its governing body shall ensure parental participation by parents of children currently enrolled in the child care program in the policy formation of the child care program, and provide public accountability in the use of public resources. The child care program shall have processes that ensure parent participation regarding budget and structure of the child care program and hiring, supervision, and termination of the chief administrator of the child care program. Parents of children enrolled in the child care program shall be entitled to inspect and receive copies of any papers or documents of the corporation which pertain to the funding or operation of the child care program within a reasonable time after requesting the same in writing.

(Am. by Ord. 9915, 12-29-89; Renum. by ORD-07-00048, 4-12-07)

- ii.B. above, is fulfilled when at least one half (1/2) or more of the required number consists of parents who now use the service or have used it within the last year, and the remainder are parents who use child care services, although not necessarily the services of that particular program. (Cr. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)
 - c. The child care program shall be governed by a Board of Directors whose officers and members are not chosen for any religious or sectarian purpose. All staff including teachers must be selected on a nondiscriminatory basis without regard to religious beliefs or affiliation. (Am. by Ord. 11,297, 7-11-95; Renum. by ORD-07-00048, 4-12-07)

Such programs shall not be eligible for grants, loans, or in-service training and technical assistance. (Renum. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)
2. Standards of Quality for Four Different Types of Child Care: Afterschool, Full Day, Part Day and Family Child Care. In order to obtain City accreditation, a child care program must be determined by the Office of Community Services to meet the organizational prerequisites identified above and must obtain a “satisfactory” rating (reasonable compliance) on standards of quality as determined by the Community Services Supervisor, such standards to be based (whenever applicable) on the Rules for Licensing Child Care Centers and Family Child Care Homes for Children of the Wisconsin Department of Health and Family

- b. Child care programs shall apply for City accreditation through the office.
- c. The Office shall determine eligibility for accreditation by verifying that the program meets the organizational prerequisites and the standards of quality.
- d. Accreditation by the Office shall be made annually. If accreditation is denied, the Office must inform each applicant of the basis of denial within ten (10) working days after the Office has made the decision. Denials shall state areas in which improvements must be made before application can be resubmitted. Application for accreditation shall be permitted no more than two (2) times in one year.
- e.
 - i. The applicant shall not be certified if the Office determines that the applicant either does not meet the organizational prerequisites or does not meet the quality standards, or has refused to supply the Office with sufficient information. In such cases, the Office shall inform the applicant in writing of its determination not to certify, and shall include the reasons therefore.
 - ii. The applicant, by written request made within thirty (30) days of receipt of such a determination, may have it reviewed by the Office. The request for review shall state the ground or grounds upon which the applicant contends that the determination should be modified or reversed. The office shall complete its review within fifteen (15) days of receipt of such request. The time for review may be extended by agreement of the applicant and the Office. The applicant may file with the request

- for review, or within the time agreed, written evidence and argument in support of the application for accreditation. If the applicant intends to request an exception, as provided in Subsubparagraph vi., the request for review must state that an exception will be requested, and the reason or reasons for the request. (Am. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)
- iii. The Office may affirm, reverse or modify its determination, and shall provide the applicant with a copy of its decision on review, which shall state the reasons for such decision. (Am. by Ord. 9533, 7-15-88; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)iv. applicant its written determination, including the reason therefore. Such determination shall be a final administrative determination, and is appealable to the courts. The Board is authorized to grant an exception to the technical requirements of accreditation, in those specific instances when the Board determines that such an exception would be in accord with the spirit and intent of the accreditation requirements, but only if the applicant requests an exception as part of its request for review under Subsubparagraph ii., and states reasons why an exception should be granted. (Am. by Ord. 9533, 7-15-88; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

The Supervisor shall inform the corporation of such suspension or revocation in writing, and shall include the reasons therefore. Procedures for review of such suspension or revocation shall be the same as those provided in Subparagraph e. of this Paragraph.

(Sec. 3.18(3)(c)3. Am. by Ord. 8099, 8-12-83; Renum. by ORD-07-

00048, 4-12-07)

4. Probationary Accreditation.

- a. When the Supervisor of Community Services determines that a certified day care program no longer meets the standards of quality, the program may request that instead of suspending or revoking accreditation, the Supervisor place the program on probationary accreditation status. Probationary accreditation may not be granted unless all of the following standards are met:
 - i. In the opinion of the Supervisor of Community Services, the child care program is capable of correcting the deficiency.
 - ii. The deficiency does not jeopardize the health, safety, or welfare of the children cared for in the program.
 - iii. The staff and administration of the day care program recognize the deficiency and have prepared a written plan, approved by the

- Supervisor of Community Services, for its correction.
- b. Probationary accreditation status may be granted only once during each accreditation review. Such status may be granted only for a specified time, which shall not exceed ninety (90) days, and which shall not be extended. If the child care program fails to meet all standards of quality at the end of the probationary accreditation period, its accreditation shall be revoked. After such revocation, the program may not apply for accreditation until six (6) months after the date of revocation, or until the program certifies in writing that all standards are met, whichever is sooner.
 - c. No child care program which fails to meet the organizational prerequisites contained in Sec. 3.12(9)(c)1. of this ordinance, may receive probationary accreditation status.
 - d. While a child care program has probationary accreditation status, it may continue to serve children eligible for tuition aid under Sec. 3.12(9)(g) of this ordinance, if such children were already being served on the date when the probationary status was imposed. No new children eligible for tuition aid will be referred until all deficiencies are corrected and accreditation is restored.
 - e. All parents of children eligible for tuition aid being served by a child care provider placed on probationary accreditation status shall be notified in writing by the Supervisor of Community Services.
 - f. A child care program which is placed on probationary accreditation status may apply for day care grants under Sec. 3.12(9)(f) of this ordinance. No grant funds may be released, however, until the probationary status is concluded and accreditation is granted. If the grant was approved by the Early Childhood Care and Education Committee before probationary accreditation was imposed, no grant funds shall be released until the probationary status is concluded and accreditation is granted. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)
 - g. Notwithstanding the provisions of subparagraph f. above, grant funds may be released to a program on probationary accreditation status if the Supervisor of Community Services determines that such grant is necessary for correcting the program's deficiency and if the Early Childhood Care and Education Committee approves. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

h. Denial by the Supervisor of Community Services of a program's request for probationary accreditation status, and failure of a program to be certified at the conclusion of its probationary accreditation status may be appealed to the Early Childhood Care and Education Committee as provided in Sec. 3.12(10)(c)3.e. of this ordinance. No other action regarding probationary accreditation status is appealable. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(Sec. 3.18(3)(c)4. Cr. by Ord. 9546, 7-28-88; Renum. by ORD-07-00048, 4-12-

07)

(d) In-Service Training and Technical Assistance. (Am. by Ord. 7896, 12-29-82, 12-31-82, 1-2-83; Renum. by ORD-07-00048, 4-12-07)

(e) Loans. The Community Services Supervisor, with the advice and consent of the Early Childhood Care and Education Committee, may authorize loans to nonprofit accredited child care programs or to nonprofit child care programs meeting the organizational prerequisites which have made application for accreditation. Loans shall be used to make staff, program and environmental improvements. No funds shall be expended for any sectarian purpose or activity including but not limited to religious worship or instruction and construction, repair or remodeling of facilities owned by a religious organization.

(f) Grants. The Community Services Supervisor, with the advice and consent of the Early Childhood Care and Education Committee, may authorize grants to nonprofit or government-sponsored certified child care programs, or to any program if the Community Services Supervisor determines that the grant is necessary to enable the program to meet accreditation requirements. No funds shall be expended for any sectarian purpose or activity including but not limited to religious worship or instruction and construction, repair or remodeling of facilities owned by a religious organization. Programs must apply for accreditation and shall meet the organizational prerequisites. Criteria for grants shall be:

1. Aptness of program to consumer needs;

The Community Services Supervisor, at least once each year, with the advice of the Early Childhood Care and Education Committee, shall allocate available tuition aid funds to the following categories of eligible applicants: (1) applicants who need child care because of a special need, as defined in Sec. 3.12(9)(g)2 of this ordinance; (2) applicants who need child care because of employment; and (3) applicants who need child care because of training. The Supervisor may authorize disbursement of tuition aid to eligible applicants provided that, upon finding that an applicant is eligible for tuition aid, the Supervisor shall estimate the total amount necessary to provide such aid to that applicant for the rest of the calendar year; or such period of time as approved by the Common Council. He or she shall then cause that amount to be administratively encumbered. At the end of each calendar quarter, the Supervisor shall prepare a report to the Early Childhood Care and Education Committee and Common Council, specifying the number and category of applications received and the amounts encumbered in each category. If, based on such report, it appears that funds allocated for one or more categories may be exhausted while funds allocated for other categories remain unencumbered, the Supervisor, with the advice of the Early Childhood Care and Education Committee, shall be authorized to transfer funds from one to another category of eligibility. This amendment shall become effective January 1, 1981.

When the total estimated sums required to provide tuition aid are approximately equal to the amount appropriated in the Budget to provide such aid, no additional applicants shall be accepted into the program, but their applications may be on a waiting list.

If any recipients of tuition aid cease to be eligible, or are eligible for lesser amounts of tuition aid, the Supervisor shall cause the necessary adjustments to be made in the amounts administratively encumbered. When sufficient funds are available to provide tuition aid to additional applicants until the end of the calendar year, he or she may then process additional applications, in the order of the date of application.
