To Whom It May Concern,

Please place my comments into the public record for #84659, 5630 Lake Mendota Drive. I am the third neighbor to the west of Tom Zalewski and Ann Kincade, at 5646 Lake Mendota Drive. I have reviewed the application and drawings for this proposed project. Although their home is the furthest back in the line of houses to our east, I nevertheless fully support their project as detailed in the application. It is modest, attractive, and will serve to update a structure that was becoming quite dated and in need of improvement. I think it will be an overall improvement to the neighborhood, and serve to make the structure a much more liveable home for many years to come.

I fully support granting the variance as requested.

Neil A. Robinson
