Dear Brett Stoffregan:

Your one-lot certified survey of property located at 2103 Sherman Avenue, Section 12, Township 07N, Range 09E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned NMX (Neighborhood Mixed Use district). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Gretchen Aviles Pineiro of the City Engineering Division at 608-266-4089 if you have questions regarding the following four (4) items:

1. A Phase 1 Environmental Site Assessment (ESA) (per ASTM E1527-21), is required for lands dedicated to the City. Provide one (1) digital copy and staff review will determine if a Phase 2 ESA is also required. Submit report(s) to Environmental Review (environmentalreview@cityofmadison.com). The property is identified to be a former filling station on the 1942 Sanborn insurance map and petroleum contamination may exist on the property. Additionally, adjoining to the north, south, east, and west are closed Wisconsin Department of Natural Resources (WDNR) Bureau of Remediation and Redevelopment Tracking System (BRRTS) sites (#02-13-560846 Fish Property, #03-13-002432 Sherman Ave Texaco, #03-13-002778 Webcrafters Inc, and #03-13-001661 Burrows Park Associates). If contamination is encountered on the property, follow all WDNR and Department of Safety and Professional Services (DSPS) regulations for proper reporting, handling, and disposal.
2. Enter into a City / Developer agreement for the required infrastructure improvements. Agreement to be executed prior to sign off. Allow 4-6 weeks to obtain agreement. Contact City Engineering to schedule the development and approval of the plans and the agreement. (MGO 16.23(7)c)
3. Madison Metropolitan Sewerage District (MMSD) charges are due and payable prior to Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Mark Moder (608-261-9250) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4))

4. A minimum of two (2) working days prior to requesting City Engineering signoff on the plat/csm contact either Tim Troester (West) at 261-1995 (ttroester@cityofmadison.com) or Brenda Stanley (East) at 608-261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and must be cleared prior to the land division (and subsequent obsolesces of the existing parcel). (POLICY)

18. Prior to approval sign-off by the Office of Real Estate Services ("ORES"), the Owner's Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the

If any of the land within the CSM boundary is under contract for sale or purchase, and said transfer will be conducted at the time of CSM recording, an escrow agreement may be necessary. Please discuss closing plans with ORES in advance of CSM sign-off. When possible, the executed original hard stock recordable CSM shall be presented at the time of ORES approval sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain approval sign-off.

19. Prior to CSM approval sign-off, an executed and notarized or authenticated certificate of consent for all mortgagees/vendors shall be included following the Owner's Certificate(s). If a mortgage or other financial instrument is reported in record title, but has been satisfied or no longer encumbers the lands or ownership within the CSM boundary, a copy of a recorded satisfaction or release document for said instrument shall be provided prior to CSM approval sign-off.
20. If any portion of the lands within the CSM boundary are subject to an Option to Purchase or other Option interest, include a Certificate of Consent for the option holder and have it executed prior to CSM sign-off if said ownership interest meets the criteria set forth by Wis. Stats. Sec. 236.34 and Sec. 236.21(2)(a).
21. A Consent of Lessee certificate shall be included on the CSM for all tenant interests in excess of one year, recorded or unrecorded, and executed prior to CSM sign-off.

Receipts from the City of Madison Treasurer are to be provided before or at the time of sign-off.
23. As of January 23, 2026, there are no special assessments reported. All known special assessments are due and payable prior to CSM approval sign-off. If special assessments are levied against the property during the review period and prior to CSM approval sign-off, they shall be paid in full pursuant to Madison General Ordinance Section 16.23(4)(f)(3).
24. Pursuant to Madison City Ordinance Section 16.23(5)(g)(4), the owner shall furnish an updated title report via email to Andy Miller in the ORES (acmiller@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the initial title report, dated November 12, 2025, submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. Surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.
25. Depict, dimension, name, note and/or identify by document number all relevant easements, declarations, plans, conditions, agreements, and other documents cited in record title and the updated title report, and include relevant notes from plats or CSMs of record.

This submittal must occur a minimum of two working days prior to final Engineering Division signoff. E-mail submittal of the final CSM in PDF form is preferred. Transmit to jrquamme@cityofmadison.com.

As soon as the comments and conditions have been satisfied, the original along with the revised Certified Survey Map, with all signatures and approvals from the reviewing agencies, shall be brought to this office for final signoff. You or your client may then record the certified survey at the Dane County Register of Deeds. For information on recording procedures and fees, contact the Register of Deeds at 266-4141.
