Legislative File Number 22548 (version 1)

Title

Amending Sec. 38.05(9)(o) of the Madison General Ordinances to create entertainment venues, extend time limits for applying for new licenses in closed premises, modify annual reporting requirements, and extend the sunset provisions.

Body

DRAFTER'S ANALYSIS: The sponsors have introduced this legislation at the request of the Alcohol License Review Committee. These amendments make several changes to the Alcohol License Density Ordinance (ALDO): 1. The ordinance increases the 365-day limitation on replacing a closed establishment with a new one to 730 days; 2. Increases the alcohol sales limitation under the definition of "exceptional circumstances" from its current cap of 25% of gross revenues to 50% of gross revenues; 3. Creates a new category of entertainment venues as an exception to ALDO licensing restrictions; 4. Provides for changes in the content of the Alcohol Policy Coordinator's annual review and report as to both the report's content and the bodies that it is submitted to, and; 5. Would extend the sunset date an additional four years from the date these amendments are enacted.

The Common Council of the City of Madison do hereby ordain as follows:

Subdivision (o) entitled "Alcohol Beverage License Density Plan" of Subsection (9) entitled "Limitation Upon Issuance of Licenses" of Section 38.05 entitled "Limitation Upon Issuance of Licenses" of the Madison General Ordinances is amended to read as follows:

"(o) Alcohol Beverage License Density Plan.

1. Purpose. The Central Commercial District currently contains at least twenty-seven percent (27%) of all alcohol beverage licenses issued by the City of Madison ("City") and at least thirty-four percent (34%) of all 'Class B' Combination alcohol beverage licenses issued by the City. Between 1997 and 2006, this area experienced an increase of 125% in the total number of alcohol beverage licenses and an increase of 128% in the number of 'Class B' Combination alcohol beverage licenses. Not coincidentally, this area experiences a high volume of alcohol-related problems, as detailed in the Madison Police Department's 2005 report, "Alcohol-Related Violence in Downtown Madison." As part of the ongoing comprehensive efforts to decrease the incidence of alcohol-related problems in the downtown area, the City seeks to maintain or gradually reduce the number and capacity of certain types of alcohol beverage licenses in the identified Alcohol License Density Plan area. This maintenance and/or reduction will be achieved through the licensing powers of the Alcohol License Review Committee ("ALRC") and the Common Council. Additionally, the City seeks to decrease the strain on public resources caused by a high density of alcohol-related businesses while simultaneously providing opportunities in the downtown area for businesses that are either not associated with the sale of alcohol or that sell alcohol incidental to their principal business.
2. Density Plan Area. Any property located within the Central Commercial District of the City of Madison. The Central Commercial District is defined as the area

enclosed by the following boundaries: Lake Mendota shoreline between N. Park Street and Blair Street, Blair Street from Lake Mendota shoreline south/southeast to Lake Monona Shoreline, Lake Monona shoreline south/southwest from Blair Street to Monona Bay shoreline, Monona Bay shoreline from Lake Monona shoreline south/southwest to Proudfit Street, Proudfit Street from Monona Bay shoreline north/northwest to Regent Street, Regent Street west to Park Street, Park Street north to Lake Mendota shoreline. The Common Council, upon recommendation of the ALRC, may add additional areas within the City of Madison to this Plan at any time based upon the criteria and analysis used in the Madison Police Department's 2005 report, "Alcohol-Related Violence in Downtown Madison."

3. Procedure.

- a. When an application related to an alcohol beverage licensed premise within the Density Plan Area is submitted to the City Clerk, the City Clerk will mark the application "DPA" prior to placing the application on the next available ALRC agenda. This subsection applies to all applications related to an alcohol beverage licensed premise within the Density Plan Area (e.g., new license applications, changes to a licensed premise, transfer of a license, etc.) with the exception of renewal applications.
- b. The Alcohol License Review Committee will review all applications and make recommendations to the Common Council based on the criteria and guidelines contained within this subsection specifically and within Ch. 38, MGO generally.

4. Definitions.

- a. Bona Fide Restaurant means the establishment's principal business is that of a restaurant.
 - i. Principal Business as a Restaurant is determined by the Common Council, upon recommendation of the ALRC, based on an analysis of the following factors:

- b. Ceased Regular Operations.
 - i. An establishment is deemed to have ceased regular operations when any of the following occurs:
 - A. The alcohol beverage license is surrendered to the City Clerk absent the issuance of a newly-granted license; or

 - F. The alcohol beverage license is cancelled pursuant to Sec. 38.10(1)(f), MGO.
 - ii. An establishment is not deemed to have ceased regular operations if it is temporarily closed due to remodeling or any type of license suspension.

 - iii. Any establishment representing itself as an exceptional circumstance will be required to maintain that status throughout the existence of its alcohol beverage license and may be required to provide evidence substantiating its status as an exceptional circumstance upon request of the City pursuant to Sec. 38.05(10), MGO.
 - iv. Decisions regarding an establishment's status as an exceptional circumstance will be made by the Common Council upon a recommendation by the ALRC.
