Class A Beer, Class A Liquor

Dear Mr. Christianson and members of the Alcohol Policy Review Committee -

The Marquette Neighborhood Association (MNA) board met with Harpreet Kaur at our meeting of April 21, 2011 to discuss her application for 735 E Washington Ave. We support her application to sell beer and wine at the BP gas station. We appreciate the changes that she has made so far to make this a viable business.

The MNA board requests that one condition be added to the license. That condition would be the same as imposed on other similar downtown establishments to restrict sales of beer or other malt beverages to packaged quantities of 6-packs or greater.

Sincerely,

Scott B. Thornton, President
On behalf of the Board of Directors
Marquette Neighborhood Association
