**Subject:** Water Utility Board meeting

Dear Gene,

I am writing you this email on behalf of the Greater Dane Dental Society (GDDS) and our concerns about tomorrow's meeting of the Water Utility Board. Our group volunteers to represent the local dental community, and we are incredibly concerned that removal of fluoride from the municipal water supply is back on the agenda. I humbly ask that you read my attached letter and field any questions to me directly. I also work with Dr. Russ Toigo, your dentist, so if you would feel more comfortable asking him, I have provided his email ([rtoigo@dhamadison.com](mailto:rtoigo@dhamadison.com)). Myself and Dr. Pat Tepe will be virtually attending the meeting tomorrow and will be available to address any concerns. Please let me know if I can be of any assistance.

Sincerely,  
Cate Brumm, GDDS President
