

BPW Meeting January 5, 2011:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

10. Willow Creek Storm Relief Phase 4

This project will disturb over 4,000 square feet, which will require a City of Madison Engineering Stormwater and Erosion Control permit. **(Greg Fries, City Engineering)**

33. B.B. Clarke Shoreline

This project will require a Chapter 30 permit from the WDNR for work along the shoreline. It also requires a City of Madison Engineering Stormwater and Erosion Control permit for land disturbance over 4,000 square feet. Both permit applications have already been submitted. **(Lisa Coleman, City Engineering)**

34. Marshall Park Boat Launch/Channel Dredging

This project requires a Chapter 30 permit from the WDNR for dredging in a navigable waterway. The permit application has already been submitted. **(Tom Maglio, City Parks)**
