Subject: Voluntary restrictive covenant (June 10 Landmarks)
Date: Thursday, June 13, 2013 10:47:02 AM

Amy,

As noted at the June 10 landmarks meeting, given the short time to our closing date (July 5) and the uncertain future of this portion of the landmarks ordinance, Aleen and I will withdraw our request for a voluntary restrictive covenant protecting our windows and front door. Instead, we plan to pursue a deed restriction of our own.

We do look forward to the city developing a voluntary method for owners such as ourselves to pursue even stronger protections for the city's historic resources.

Thanks again for all your good work in this regard.

A representative for the project should be in attendance to answer questions. Please contact me with any questions or concerns.

Best regards,
