Conditional Use Application for Amplified Sound and Music at the Outdoor Beer Garden
Minocqua Brewing Company
2927 E. Washington Ave.
Madison, WI

The Minocqua Brewing Company seeks a Conditional Use for amplified outdoor sound and music in their outdoor beer garden adjacent to the Minocqua Brewing Company Taproom at 2927 E. Washington Ave. Madison, WI.

The request is for the following operating “windows”

1. Thursday evenings from 6:00 pm to 8:45 pm
2. Saturdays between noon and 8:45 pm
3. Sundays between noon and 6:00 pm

The Saturday and Sunday “windows” would allow amplification within those hours but would never utilize the entire period on any given day.

In the event of rain or other inappropriate weather, the program would likely move inside to the taproom.

The request is for an outdoor “season” from May through November, but very likely not every week nor necessarily extending through the entire “season”.

The beer garden is currently completely enclosed by building walls or an 8’ tall board fence, with non-emergency entry and egress through the taproom. The beer garden will close no later than 9:00 pm.

The Minocqua Brewing Company will host a public meeting to receive public comment on this Conditional Use Application. We anticipate that this public meeting might have City staff and elected officials in attendance.
