Re: Sujeo Request for Entertainment License

Krys Wachowiak appeared before the Tenney-Lapham Neighborhood Association (TLNA) council to request support for an entertainment license at the Sujeo restaurant. Krys Wachowiak says they would like to add DJ entertainment for late night dining, on Thursdays, Friday, and Saturdays, hoping to attract more customers. As the space is tight, he does not anticipate dancing or loud music. The music will complement the current dining atmosphere of the restaurant. He is happy to agree to ending the entertainment at 1:30 on Thursdays, and 2:00 on Fridays and Saturdays.

The TLNA Council appreciates the positive impact that Sujeo's has on our neighborhood and unanimously supports this request. We hope that this will help solidify Krys Wachowiak's business in an area that is still evolving.

If you have any questions or if I can provide any additional information, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Patty Prime". The signature is fluid and cursive, with a large initial "P" and a long, sweeping underline.

Patty Prime

President, Tenney-Lapham Neighborhood Association
