

**NOTES:**  
 1) All Work in the City Right of Way shall be constructed in accordance with the final plans approved by the City Engineer, per City Project Number 53E2305.  
 2) This approval will not approve any outdoor seating, fire lanes and access, or loading zones.  
 3) Plans are subject to review by the State Street Oversight Committee.  
 4) All street tree species and locations will be approved by the City Forester.
