Greetings. This is to express my support for projects 5, 11, 20, 26 and 38 of the Safe Streets project list. Project 5 supports reducing the 45 mph speed limit on John Nolen Drive between North Shore Drive and Lakeside street. That the speed limit on this short segment of JND is 45 mph versus the 35 mph on the rest of the street makes no sense and encourages faster speeds as cars turn from JND onto Lakeside Street. The other projects concern crossings and ped/bike improvements on Park Street, which are long overdue.

Thank you
Allen Arntsen
