Comparing 2016 Data to 2017 Data

The below chart corrects previously reported 2016 information that over-counted the number of visits to the drop-off sites.

October 4 to November 21 - 49 work days

	Total	Median	Daily Average	Hourly Average
Sycamore - 2016	13,500	294	304	30
Sycamore/Nakoosa 2017	11,880	206	242	24

Due to a damaged hose in 2016, 5 days of information were known to be inaccurate and were excluded from median and average calculations

2017 totals do not discount the unexplained sharp decline in visits after the move from Nakoosa to Sycamore

	Total	Median	Daily Average	Hourly Average
Badger - 2016	15,593	291	318	31
