Building and Operation Agreement

[as of December __, 2005]

KNOW ALL MEN BY THESE PRESENTS, That the City of Madison, and the County of Dane, both in the State of Wisconsin, pursuant to authority granted under 66.0301 and 66.0913 of the Wisconsin Statutes do hereby agree as follows:

(1) That in 1948 through 1955, both of the contracting parties did agree to construct, maintain, and operate a City Hall and County Courthouse as a joint building, and that hereafter in this Agreement the City of Madison will be referred to as the "City" and the County of Dane as the "County", and the joint building as the "Building".

Location

(2) This Building is located on the block in the City of Madison, Dane County, Wisconsin surrounded by Martin Luther King, Jr. Boulevard, West Doty Street, South Carroll Street and West Wilson Street.

Land

(3) It is understood that the City now owns approximately one-half of the block above described and the County owns the balance of the said block.

(4) That the land is to be held as tenants-in-common and the ownership of the land and Building is to be held in the same proportion as the costs of construction are

shared and more particularly described below. Each of the parties hereto agree to execute such instruments to place such title as in the form herein described.

Management of the Building

(5) The Building shall be managed by a City-County Liaison Committee composed of not more than 3 members each from the governing bodies of the City and the County, and in addition the mayor, or the mayor's designee, and the county executive or the county executive's designee. The Liaison Committee shall be responsible for policy considerations regarding management of the Building.

(6) The costs of alteration, improvements, or future construction shall be borne and paid for by the party making the same in the space allocated to it; except that where there is joint use of the space or facilities, such costs shall be on a 50-50 basis. Cost of alteration in the Common Area, as shown on the attached table marked Exhibit A, shall be shared on basis of 60.9% for the County and 39.1% for the City. All alterations, improvements or new construction in either the City or County areas of the Building shall first be approved by the City-County Liaison Committee

(7) The cost of operation, maintenance and repairs of both exterior and interior shall be paid for by the County and the City on the basis and in proportion to the square-foot area in the Building which is in actual use by each party, as shown on the attached table marked Exhibit A, effective January 1, 2007. In determining such proportion, the Common Area used by the public, such as corridors, restrooms, elevators, and the space which is used jointly for which no division or allocation has been made, the same shall be assigned one-half to each party. In case either party

Exhibit 1

shall sublease any of the space allocated to it, such space shall be charged to the lessor.

(8) The term "maintenance" referred to above shall include the payment of all utilities such as electricity, water, sewer, heating, and telephone. The listing of these utilities shall not be construed to exclude others.

(9) The City-County Liaison Committee shall establish such formula for payment of maintenance and repairs once a year on September 1st, to be effective for the ensuing year.

(10) The County shall be the fiscal agent for the parties and shall make payment for such maintenance and repairs and bill the City for such charges monthly.

(11) That all Building operating and maintenance personnel shall be employees of the County and shall be under the direction of the City-County Liaison Committee.

(12) That all furniture, fixtures and equipment not a part of the general contract be paid for by the party for whose use it is intended, with the exception of the jail fixtures and equipment. The jail and jail equipment and fixtures shall be owned by the County and all said equipment and fixtures and the jail architectural fees shall be paid for by the county.

(13) Entire Agreement. The entire agreement of the parties is contained in this Amended Agreement, together with the Addendum hereto of even date, which supercede any and all prior oral and written agreements and negotiations between the parties relating to the subject matter hereon. The parties expressly agree that this
